SOC – TRAFFIC REGULATIONS

These are rules and regulations made to control the movement of people and vehicles on our roads. Some road users are – pedestrians, cyclists, drivers, etc.

Reasons for Road Traffic Signs

(a) To maintain orderliness on roads.
(b) To prevent hold-ups on the roads.
(c) To prevent accidents on roads.
(d) To inform road users.
(e) To check over speeding.

Federal Road Safety Corps (FRSC)

The FRSC was setup by the Federal Government in 1988 to check for those who disobey road sign or maintains bad driving habits.
