# THE CASE OF ACADEMIC CALENDAR

Academic calendars are systems by which you define the landmark dates that drive much of the day-to-day business at an academic institution. In other words, academic calendar is the tabular arrangement of time periods and their purposes, so to organize the running of the academic institutions in a place.

In Nigeria, academic calendar for Basic and Secondary educations is three-terms-per-session academic calendar, with each session having at most fourteen-week term. The academic calendar for tertiary institutions is usually two-semesters-per-session academic calendar system.

Also the calendar contains days of holidays. Each school plan their time related affair according to this calendar so to meet up with curriculum load for the session. It also specifies days for the beginning and ending of holidays.

The calendar is usually set-up by an agency of the Government and is one of the benefits enjoyed after registration of a school.
